3 <sup>rd</sup> November	Year 8 & Lower school
9 <sup>th</sup> November	Year 9 & Middle school
10 <sup>th</sup> November	Year 10 & Middle school
11 <sup>th</sup> November	Arabic Conferences

A reminder that there will be **no after school activity clubs or Arabic classes** on these dates and **ALL students will finish school at 1.15 on these dates.**

### **Students who miss buses**

Parents are kindly reminded that if their child misses a bus home at the end of their school day, that they will be called to come immediately to collect their child. Children will not be permitted to wait until the next bus as there is no supervision. Students should therefore be encouraged to depart swiftly from school and go straight to their waiting transport.

### **Polite request**

Parents are kindly reminded that school officially closes at 3pm after which time there is nobody responsible for students. Therefore please ensure the prompt collection of your children.

### **Thank you to the Raharja family**

For their most generous donation of the beautiful West Javanese musical instrument, the 'Angklung'. This is a most generous donation and will provide some great learning experiences for the students in our school. The angklung is a musical instrument made out of numerous bamboo tubes of different lengths attached to a bamboo frame. The tubes are carved so that they have a resonant pitch when struck. The base of the frame is held with one hand while the other hand shakes the instrument rapidly from side

to side. This causes a rapidly repeating note to sound. Thus each of three or more angklung performers in an ensemble will play just one note and together complete melodies are produced. The angklung is popular throughout [Southeast Asia](#), but originated from [Indonesia](#). It has been used and played by the [Sudanese](#) since the ancient times.
